School of Instruction In Hamlin April 3

As announced last week, the Parent-Teacher Association will hold a District School of Instruction in the Hamlin High School auditorium on Tuesday, April 3, beginning promptly at 10:00 o'clock and continuing until 4:30 P. M. Everyone interested is urged to be present as much of the time as possible, since the local organization is eager that the meeting be well attended.

The regular monthly meeting will be held next Thursday afternoon. Mrs. Lott Shell, assisted by Mrs. A. Spencer, will direct the program on "Making the Most of Success and Failure." Special entertainment numbers will be given by pupils of the first grade.

School Lunch Room Fed Two Local Clubs

To demonstrate how the Grade School Lunch Room works, and how many are cared for there at the noon meal, and also to get the men of the Lions and Rotary Clubs to see the Grammar School building (as it stands), an invitation was given them to eat their lunch up there (the Lions on Tuesday and the Rotarians on Wednesday).

The magnitude and efficiency of the Lunch Room was something new for the Hamlin men to see. The building that has served so many Hamlin children for so long was nothing especially new. Both the Lunch Room and the Building are doing a grand job. The poor old building has always suffered for a roof that would actually turn water. It has always been hard to maintain, for several reasons. It needs a lot of modernizing and it will continue its usefulness for many years.

Easter Holiday Monday

The Hamlin Schools will observe Monday, April 2, as Easter Holiday. Regular classes will resume on Tuesday, April 3.

County Cotton Ginnings Released For 1944 Crop

This week we give a condensed report of the cotton produced and ginned in Texas' counties from the crop of 1944, as compared with 1943. Only those counties receiving FORTY thousand or more bales are given.

County	1944	1943
Cameron	53,359	32,275
Collin	57,018	45,696
Dawson	50,898	48,071
Ellis	62,598	57,280
El Paso	57,733	57,088
Fannin	45,896	38,046
Hidalgo	40,404	40,784
Hill	47,433	39,366
Hockley	67,053	58,564
Hunt	49,052	41,750
JONES	43,811	29,059
Lamb	49,947	51,055
Lubbock	95,964	84,520
Lynn	89,084	71,584
Nueces	54,273	81,771
Terry	43,644	29,482
Williamson	45,947	60,342

Many guesses are being made as to the acreage for 1945. It might be higher than in 1944. A mild winter would also indicate that more danger will be expected from insects this year than in 1944.

MRS. C. E. LABAUME'S MOTHER DIED AT CISCO LAST WEEK

Mrs. Lillian Burnett Jones, mother of Mrs. C. E. LaBaume of Hamlin, died at her home in Cisco, Tuesday of last week. Those attending the funeral in Cisco on Wednesday, included the following from Hamlin: a brother, P. C. Burnett; a daughter, and family, Mr. and Mrs. C. E. LaBaume, Miss Inez, Lewis, Mr. and Mrs. George LaBaume and little son, Jerry Ronald; Rev. and Mrs. Dan D. Jones; Mrs. W. H. Murphree; Mrs. P. E. Smith and Miss Mildred Smith.

Mrs. N. M. Armstrong and daughter, Peggy, returned Sunday from Loving, New Mexico, where they had spent a week visiting their husband and father, who is employed with the Loving Oil Mill.

Hamlin People Witness Presentation of Medals At Camp Barkeley

The Herald Editor and a group of friends of the family of L. M. Huddleston of the Hitson community last Saturday afternoon went to Camp Barkeley which the Army had designated as the place and time to deliver to two bereaved families, medals of valor in memory and honor of soldiers who died for their country in the invasion of France last summer.

S/Sgt. LEWIS D. HUDDLESTON

This was our first time to witness this kind of ceremony, and we must say that it was a short period promoting deep feelings and reflections.

In the party from this community were Mr. Huddleston and his children, a son, H. E. Huddleston, and wife and daughter, Alice, of Leveland; daughter, Mrs. Ashburn Branscum, husband and children, Reta and Ashburn, Jr., of Rotan; daughter, Mrs. S. P. Willis, and husband, of Hitson; daughter, Mrs. John Thomas, and her daughter, Brenda, of Brownfield; and a daughter, Mrs. E. L. Ward, who makes her home with her father at Hitson, while her husband is in Germany. The list of close friends of this family included Mr. and Mrs. Billie Gray and Mr. Holland of Hitson; Oscar C. Byrd, formerly of Hitson, and now of Globe, Arizona; Mr. and Mrs. W. L. Fletcher, Jr., and two children, W. L. III, and little Miss Marylan; and Editor Bowen Pope of Hamlin.

The other family in the ceremony was Mrs. Etta K. Danovsky and little one-year-old son, Andrew J. Danovsky, Jr., to whom was presented the Bronze Star Medal, posthumously awarded to the little boy's father, Captain Andrew J. Danovsky, Sr., also of the 90th Division, who died from wounds received in action on August 2, 1944. Both Captain Danovsky and T/Sgt. Lewis D. Huddleston had trained at Camp Barkeley, but they were not in the same regiment.

The scenes in Camp Barkeley, now so much abandoned, so quiet, so lifeless in comparison with former days; and out there on the wide parade grounds, in the high, March winds were the few battle-dressed soldiers, waiting quietly for a long time to participate in the solemn ceremony to honor brother comrades who had paid their all... these men, so grim, so "iron-like," still obeying orders faithfully and true, yes, our mind was crowded with a million thoughts... then the passing in review before the family and friends, the band doing its best in the high winds, and the strong soldier carrying that lovely flag, straining and holding against the wind... then the presentations, first to the little mother and baby, then to the sad-hearted father, both firm and steadfast as the citations were read and delivered... courtesies of Colonel Taylor E. Darby and his assistant officers, all made an accumulation of sentiment that no one can forget.

Following the presentations all of the party were asked by Col. Darby to assemble in the Officers' Mess Hall for light refreshments. Nothing seemed to have been overlooked by the officers, and the Herald desires to express for those families their sincere appreciation for every courtesy and expression of sympathy.

The official report is as follows: In a dual-presentation ceremony at Camp Barkeley last Saturday afternoon, the Silver Star Medal posthumously awarded to S/Sgt. Lewis D. Huddleston, Infantry, of Hamlin, was presented to his father, Lewis M. Huddleston of Route 2, Hamlin. At the same time a year-old child, Andrew J. Danovsky, Jr., held in the arms of his mother, Mrs. Etta K. Danovsky, 1110 Matador Ave., Abilene, was presented with the Bronze Star Medal posthumously awarded to his father, Captain Andrew J.

Get Your Scrap Paper Into The Fight!

Some of you forgot the last time that scrap paper was collected, but the members of Beta Sigma Phi will be around again Thursday, April 5, to pick up your paper. We are doing the little bit that we can. Won't you help us?

It will save so much time if you will take an extra two minutes and tie your magazines and newspapers into bundles. Placing them so the bundles will be in sight from the street will also prevent our missing any.

The collection will begin at 4:00 P. M., Thursday, April 5, so please cooperate by having your bundled paper on the steps or the curb by that time so that it will be picked up.

Mrs. Clara Verner came Sunday night from her home in Pasadena, Calif., to be with her mother, Mrs. J. W. Wendel, who is very ill at her home in East Hamlin. Mrs. Wendel has been in ill health for some time.

Danovsky.

Both Captain Danovsky and Sergeant Huddleston had been members of the 90th Infantry Division, and had served with that organization when it was in training at Camp Barkeley.

One of the largest groups of relatives and friends of a decorated soldier ever to witness a presentation at Camp Barkeley stood in the reviewing line as the medals, two of the nation's highest military awards, were pinned on the recipients by Colonel Taylor E. Darby.

The citation accompanying S/Sgt. Huddleston's award reads:

"For gallantry in action on 13 June 1944 near ***, **, when his platoon was attacking a strong enemy position and his company was held up by intense enemy fire, Sergeant Huddleston placed himself at the head of the squad and courageously led it on an assault on the enemy position. He repeatedly exposed himself to enemy fire, maintained control of his men and inspired them to assault the enemy and take the position. His disregard during the action for his own safety, an example set on the field of battle, was in keeping with the highest traditions of the military service."

Captain Danovsky was cited: "For heroic service in connection with military operations against the enemy in *** on 24 July and 2 August 1944."

Troops of the Service Detachment, 1845th Unit, participated in the ceremony, passing in review with the 355th Army Service Forces Band. The troops were commanded by Lt. Oscar F. Goggins, Jr. Major Ernest R. Farrell was escorting officer for Mrs. Danovsky and Mr. Huddleston. The citations were read by Lt. Thomas J. McDermott, adjutant.

Pfc. Sidney Ray Teague Killed In Germany

The War Department reported to Mr. and Mrs. Ray S. Teague that their son, Pfc. Sidney Ray Teague, had been killed in action with the Third Army in Germany on March 15, 1945.

The last letter from Sidney was dated by him on March 3rd and was received by his mother about the 15th of March.

He left to join the Army on April 10, 1944, being inducted at Fort Sill and later spent 17 weeks in Camp Hood. He went overseas about the first of last December, landing in England, and after Christmas began fighting on the Continent.

Private First Class Ray Teague was born in Jones County, Dec. 6, 1945, and was just past 18 when he entered the Army. He lacked about a month finishing high school at Cross Plains, but was granted his diploma. He was a professing Christian but had not joined a church.

Survivors are his parents, four sisters, Mrs. Roy Thorne, Anson; and Mrs. Robbie Taylor, Mrs. J. C. Caudle, and Miss Winnie Beth Teague, of Hamlin; and one brother, John Albert Teague of Hamlin. Paternal grandparents are Mr. and Mrs. R. V. Teague of Cross Plains, and his maternal grandmother is Mrs. W. E. McClendon of Cisco.

You Can Vote For Two Aldermen Tuesday

Sometimes we hear citizens say, "Why, I did not even know there was an election." This is stated after due and formal notices have run in the home paper for two or three weeks, and after notices have been posted and everything done to let the election be known.

Next Tuesday, according to the City Mayor, two aldermen are to be elected. As usual, no one is "advertised" for this job. Hardly any man wants the job, for it means a lot of extra trouble on him. He must take a lot of unpleasant complaints (usually to his back) and what was not done, he still gets plenty of complaints, and if something is done, he still gets plenty of complaints, so who wants the job?

Only rumors have it that there will be some new names on the ballot, which will be printed, perhaps Monday afternoon. All nominations should be in the City Hall and must come from that authority.

SCHOOL NOTICES

Has a teacher called at your home taking the Scholastic Census of all children between the ages of 6 and 18? If your child has not been listed, please call 191 or 192. Every child missed in this census will cost the school at least \$32.00.

Private Troy Ford Is Killed On Iwo Jima

The entire community was saddened by the news last Friday that Private Troy Ford, son of Mr. and Mrs. Joe Ford, of the Wise Chapel community, had been killed on Iwo Jima.

A sketch of Troy's life and military career is given herewith, and we wish to thank Mrs. Johnny Agnew for this information. However, it is impossible for any of us to express how deeply we feel towards the family in this sorrowing hour.

Troy Ford was born at Whitney, Hill County, Texas, Nov. 10, 1921. He moved with his parents to Stamford in 1928 and to the Wise Chapel community in 1938. He graduated from Hamlin High School in the class of 1940.

Troy volunteered for military service January 17, 1944, after spending two years with Roar Aircraft in San Diego, Calif. He was placed in the 3rd Marine Corps, at Camp Pendleton, Oceanside, Calif. With this group of Marines, he was sent overseas in August of 1944 to Guam, remaining there until Feb. 21, when he landed with the 3rd Marines to reinforce the 4th and 5th Marines already on Iwo Jima. Six days were spent in fierce fighting before his death on Feb. 27, 1945. His parents received the message from the War Department March 23.

Troy was a consecrated Christian and a member of the Fairview Baptist Church. He is survived by his parents, Mr. and Mrs. Joe Ford, four sisters, Mrs. Damon Lieb of Portales, New Mexico, Inez Ford, Portland, Ore., Lola Fay and Wanda Fay Ford of Hamlin; six brothers, Eudell Ford of Hamlin, H. L. Ford, Stamford, Bill Ford of Camp Hood, Texas, and Joe, David, and Douglas, at home; and his grandmother, Mrs. J. K. Ford of Luaders. This is the first death in the immediate family.

Troy leaves a multitude of friends who sympathize with the grief-stricken family.

MRS. L. L. COWAN MOVES PLANT TO BRICK BUILDING

In front of the Post Office is a nice, small brick building that was built many years ago by the late L. L. Cowan for his tailoring business. A few years ago, Mrs. Cowan sold the building and it was used as the Railway Express quarters. Recently Mrs. Cowan purchased the building, and after doing a great deal of "renovation" and adding several improvements, this week she is moving her equipment in to "be at home" again. She has carried on the business in an admirable manner, and every indication is that she is making quite a "go" of it. Her host of friends are glad with her and her son, Leslie Cowan of the U. S. Navy, that the Cowan business is back home.

To the growing youngster, home is but a filling station.

'Think on these things'

"Atonement For Sin"

In the next two issues of The Hamlin Herald we wish to discuss the above theme. We shall this week note the Old Testament Idea and next week the New Testament.

The word "atonement" occurs with great frequency in the Old Testament, but in the New Testament it occurs only once in the Authorized Version (Rom. 5:11), and not at all in the American Revised Version. We are not to conclude from this, however, that atonement is not a New Testament doctrine; the idea runs through the New Testament like a golden thread, even if the word is not used.

In the study of this doctrine, as in that of so many others, we must begin with the Old Testament in order to an adequate understanding of our subject. What does the word mean? What does it signify? How, and for what purpose, is atonement made? These and similar questions must be faced.

OLD TESTAMENT IDEA

The Hebrew word translated "to make atonement" (Kaphar) literally means "to cover, to hide, to remove from sight." It has reference to sin. The idea was to cover up sin from the sight of God, because he hated it. (Prov. 6:16) It did not carry the idea of trying to deceive God about sin, but rather that of removing it from before his eyes out of respect of His Holiness.

It is worth noting that sin could not be covered except in the specific ways that God directed. Thus when Achan hid in his tent the objects stolen from Jericho (Josh. 7) he had not made atonement for his stealing. He had hidden the stolen things, to be sure; but that was his own device and not the way that God had commanded atonement to be made.

Whenever man sins against God, the finite against the infinite, the creature against the Creator, he is worthy of death. Nothing less than his own blood, or that of a substitute satisfactory to God, can hide, cover, his sin and meet the demands of justice. But if God had exacted the penalty from the man himself in every instance, the human race would long since have become extinct. But out of his graciousness, God made provision for a dumb animal to be substituted for man; that permitted the human race to survive. The idea of Old Testament atonement, then, is that the blood of the sacrificial animal "covers" the sin of the lone sacrificing, or in whose behalf the animal was being sacrificed.

After the giving of the Mosaic law and the establishment of the Levitical priesthood, the ordinary Israelite did not offer sacrifices except in very rare instances. Instead, when he sinned, he took his sacrificial animal to the central place of worship (tabernacle, temple), where an officiating priest offered the sacrifice for him. Hence, the constantly-recurring expression, "the priest shall make atonement for him," or some similar statement. The animal blood that was shed by the priest "covered" the sin of the offerer in the sense that God was pleased that the sinner turned back to Him and did as commanded. The "covering," of course, was in a symbolical sense. God agreed, on certain conditions, to disregard the sin that had been committed.

From the foregoing it will be observed that "atonement" was the object, directly or indirectly, of the whole Hebrew sacrificial system. This sacrificial system culminated in the great Day of Atonement, which fell on the tenth day of the seventh month of the Jewish religious year. That day was one of rest and holy convocation. The people fasted and mourned for their sins. Special sacrifices were made, and the high priest went into the holy of holies with the blood of two sacrificial animals which he sprinkled before and on the mercy seat, where God was supposed to sit. Thus atonement was made for all the sins of all the people committed during the past year. The very fact that it was necessary for the high priest to carry blood into the most holy place every year suggests that animal sacrifice was inadequate, that the system was imperfect, and that the very atonement he made was only temporarily efficacious.

But the very nature of God requires a perfect system in order to do justice to His Holiness. Consequently, he taught Israel to look forward to a new lawgiver (Deut. 18:15) and a new covenant (Jer. 31:31ff). And this brings us to the fulfillment of the promise in the New Testament. We'll discuss this phase of the subject next week.

Remember our invitation to you to come and study and worship with us.

Pfc. George Willis Miller arrived Sunday night from the New Castle Army Air Base, near Wilmington, Delaware, to spend just a few days with his parents, Mr. and Mrs. George W. Miller, on Rt. 1. This is the first time this young fellow has been at home in nearly two years, and during all that time he has become a married man and a father. His wife and little daughter, Theresa, age four months, accompanied him to Hamlin. They will not return with him, as it seems he will not be at the same base much longer. This is his wife's first time to see Texas.

IN THE PHILIPPINES

"Just a few lines to let you know that I am OK. As you see in my address, I am in the Philippine Islands and am enjoying myself very much. We got here while the first landing was still young, and I have seen a little action but none to brag about. This isn't bad country, but it rains too much and too often. The people are very friendly but they like to get the best of the bargain in a trade. That's to be expected, because they have been without good things for a long time. They don't like to talk about Japs, so we don't question them too much. Some have voluntarily told us a lot about how they were treated by the Japs and it sounded none too good.

"I have received a few copies of the 'Herald' and I have read them so much that I know them by heart. There is nothing that helps a fellow as much as the news from home. I got three copies of it at once and no one could make me do anything until I had read every word in them. "The only Hamlin boy I have seen since being here was Lt. Durwood Locke. We got to talk for only a few minutes, but it surely was good to talk to someone from Hamlin again. ...Always a friend, T/Sgt. Norman Lasseter."

Marvin Eugene Bates, a son of Mrs. Stella Bates, formerly of Hamlin, came in last Saturday to visit his aunt, Mrs. E. R. Burns, after an absence of seven years. He has recently been discharged from the Air Corps after serving four years. He has had about 3 years of foreign service, being a pilot of a Grauman Hell Cat. It was in this type of small bomber that he saw action over many parts of Germany. Bates will likely seek employment in this section of Texas.

Mrs. Rufus Herbst Hostess To H. D. Club

The importance of repairs and care of small equipment in the home was stressed by Mrs. Geraldene McCullough, Fisher County Home Demonstration Agent, at a meeting of the McCaulley Club, March 21, in the home of Mrs. Rufus Herbst.

Detailed information was given by Mrs. McCullough on ways to make refrigerators and electric cords last longer and on the care and repair of other rubber goods. Instructions on making new connections with appliance plugs was given.

Mrs. Levi McCollum, vice president, directed the business session. Mrs. Viola Hendon spoke on "What Home Demonstration Clubs Are Do-

ing," and Miss Maxine Griffin, a visiting 4-H Club girl, gave beauty tips in her talk on the use of vegetables and dairy products for maintenance of good health and complexions. A report on the all day Council Meeting and Cooking School was given by Mrs. McCullough.

Club guests were Mrs. W. F. Davison and Mrs. G. W. Martin. Refreshment plates were passed by Mrs. Herbst and joint hostess, Mrs. Jimmy Fancher, to guests and the following members: Mes. Levi McCollum, Horace Barton, Luthor Maberry, Olliner Lee, Omar Prather, Frank Kemp, Chas. McHone, Della Fancher, Silas Dixon, Hallie McFatter, Frank Jackson, Viola Hendon, Bertha Greggs, and John H. Reynolds.—Reporter.

D. A. York Celebrates Seventy-Eighth Birthday

D. A. York was surprised when his children and a group of friends gathered at the home of his daughter, Mrs. E. W. Green, on Sunday, March 25, to observe his seventy-eighth birthday.

Those attending this happy occasion were Mr. and Mrs. L. W. York, Abilene; Mr. and Mrs. M. A. Drummond and sons, Don Thurman and Cliff W., Mr. and Mrs. Paul Goodgame, James Maberry, Mrs. John Green, all of Hamlin; Mr. and Mrs. Roy Blackwell, Dorothea and Johnny of Anson; Sgt. Simms of Camp Berkeley; and Mr. and Mrs. E. W. Green and children, Winston, Jan, Donald, Clifford Lee, and Patricia.

One son, Pfc. Loyd C. York, is with the armed forces stationed in England.

Easter Party For Class

On Tuesday evening, March 20, Mrs. Herman Treadwell was hostess to members of the Ruth Class of the First Baptist Church for an Easter Party. Mrs. Cecil Brown was co-hostess.

Mrs. A. Spencer brought the devotional, after which Mrs. Treadwell gave a chalk-talk pertaining to Easter.

After an hour of games, a refreshment plate carrying out the Easter motif was served to the following: Mes. Edward Gardner, Ben Wilcox, Lesley Shelburne, Paul Baucum, W. L. Boyd, Jr., LaFoy Patterson, B. J. Martin, H. V. Brown, A. Spencer, E. J. Whaley, and the hostesses.—Reporter.

Celebrates Birthday

Mrs. Don Gould entertained with a party, Friday afternoon, honoring her little daughter, Brenda Kay, on her fourth birthday.

The afternoon was spent in playing out-door games and taking Kodak pictures. After admiring the pretty birthday gifts, cake and ice cream were served.

Present were Jeanine and Sonyu Sandefur, Kay Shelburne, Terry Lee Hudson, Lesley Bryan Shelburne, Stephen Carmichael, Dudley Lynch, Priscilla and Lewis Shell, Guy Odom, Lana Claud Lancaster, Ronnie Owens, Patricia and Mike Bennett, Carol Jo and Faith Simpson, Brenda Hargrove, and Sue McCrary.

Gifts were sent by Lance Carmichael, Tommy and Glen Belew, and John Ferguson.

J. V. Jones, Jr., a new man with the Santa Fe System as Traveling Freight and Passenger Agent, was a caller at the Herald Office Thursday. He has been transferred from the Lubbock office to San Angelo.

Easter Egg Hunt

The Beginners' Department of the First Baptist Church, under the direction of the Superintendent, Mrs. Dode Sanford, enjoyed an Easter egg hunt at the City Park, Wednesday afternoon. The departmental workers, one hundred per cent in attendance, appreciated the cooperation of the mothers on this occasion.

There were 57 present. Only one member of the department was absent.

Handling Claims For Unemployed Veterans

Through an agreement with the Veterans Administration, the Texas Unemployment Compensation Commission is handling claims for veterans for unemployment and claims from fully self-employed veterans whose net cash earnings are less than \$100.00 per month. Claims filed by unemployed veterans, if they are found eligible, will be paid weekly while claims filed by fully self-employed veterans will be paid monthly.

The Act provides that honorably discharged veterans of World War II may be entitled to readjustment allowances (unemployment compensation) provided they have had active service of ninety days or longer subsequent to September 16, 1940, or have been discharged due to a service-connected disability.

In order to be eligible for weekly benefits, a veteran must be totally unemployed or partially unemployed, and must be registered for work at an Employment Office. Also he must be able to work and available for work at the time of filing his Initial Claim. To be eligible for monthly payments, a veteran must be fully self-employed and have earned less than \$100.00 from such self-employment during the month for which a claim is filed.

Depending upon a veteran's length of service, readjustment allowances vary in duration from eight weeks to fifty-two weeks. Readjustment allowances are payable during a period of two years after discharge or termination of the present war, whichever is the later date.

How women and girls
may get wanted relief
from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time". It should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

New Santa Fe Bridge Speeds War Traffic

Santa Fe trains are now rolling across a new double-track steel bridge over the Colorado River near Topock, Arizona, speeding up vital war traffic along the route to Tokyo through California's ports of war.

This new Santa Fe bridge removes the

"bottle-neck" created by the old single-track bridge it replaces and has ample strength to take care of future requirements as to weights to be imposed on it.

The new Topock bridge is an impressive engineering feat, but it is only one step in Santa Fe's program of plant improvement—started long before Pearl Harbor. These improvements have speeded up war traffic today, and they will enable a higher standard of Santa Fe service in the days of peace to come.

Yanks Teach Russ Boys to Chew Gum

Flying Fortress Crews Have Lively Bombing Tour.

A UNITED STATES BOMBER BASE IN ENGLAND. — Bubbling with gay anecdotes about teaching Russians to chew gum and of dancing to the tune of the "Big Bad Wolf" in a Russian general's quarters, Flying Fortress crews returned to this base after completing a two-week 7,000-mile triangular shuttle bombing tour to Russia and Italy.

Lieut. Eugene Tucker of San Jose, Calif., said he found the Russians were "more like Americans than any other people I ever met. Their sense of humor is just like ours."

Lieut. Arthur F. Nicholson of Cincinnati, Ohio, said a "bunch of Russian kids sang 'Pistol Packin' Mama' for us. The 15th air force boys had taught them the words in the first shuttle mission from Italy."

"We gave the kids chewing gum," he said, "and they wanted to give us a fistful of rubles for it. They started to chew it with the wrapper on. One little fellow swallowed it. His eyes filled with tears. An older brother got alarmed, thinking maybe it was poison."

"The Russian fliers thought the Fortresses were great and tried to buy them from us."

The Fortress crews picked up a limited Russian vocabulary. The romantic element learned "Potsilimna potsilol" meaning "Give me a kiss," and "Ja lybu chibya," Russian for "I love you." The Russians called the Yanks "hotasah tovarich," meaning "good comrades." Crewmen said the Russians particularly like to have Berlin, Budapest and Ploesti bombed, and every flier who did that they called "good comrade."

Col. Archie Old of Atlanta, Texas, commander of the Fortresses, described the mission as "a picnic."

Not a single plane was lost in combat action or by flak, though the group underwent five fighter attacks.

Animals Enjoy Luxury

And Seclusion on Estate

NEW YORK. — In a seven-room house on a Rockland county estate near New York city an elderly cheetah and an aged dachshund are living in seclusion and luxury, with a joint fortune of about \$194,000. The status of the animals was revealed when Surrogate John A. McKenna conducted an examination prior to trial of the assets of the estate of the late Miss Elizabeth M. Miller, who died in 1942. Miss Miller's will, the examination disclosed, bequeathed \$6,000 to her niece, Betty Miller of Staten Island, and directed that income from the balance of the estate be used for the upkeep of her two pets. It named her attorney, Robert W. Swezey of New York, as heir to the balance when the animals die. Deduction of the niece's \$6,000 means the dog and the leopard-like animal are worth at least \$194,000. The niece has filed objection to the will.

Stockman Scores Hits

With Salt From Plane

CANYON CITY, ORE. — Clark Morris, Grant county stockman, would make a good bombardier, especially if livestock were the target.

Answering the problem of how to salt stock in the high areas of the county, Morris dropped 50-pound blocks of salt from an airplane to his stock 1,000 feet below. Local stockmen had maintained that the salt blocks would break if dropped to the range from planes, but on riding into the area, Morris found that only one block had broken and that each block had fallen within 10 feet of its objective.

Making two trips, 800 pounds of salt were distributed in 40 minutes. It would take at least four days by team and wagon to distribute that much salt, if they could make it at all. Proving that "precision bombing" works, Morris has become the local hero.

Allies' Weapons to Be 4

Times Greater Than Foes'

WASHINGTON, D. C. — American and British forces are building in Europe a fire-power four times greater than that of the Germans, Acting Secretary of War Patterson said. The figures for the Pacific, he added, "will be fully as good."

Explaining that he was speaking in terms of ammunition, rather than numbers of men, Patterson said this tremendous fire-power "includes everything—small arms fire, grenades, mortars, artillery, airplane bombs and rockets."

This means, Patterson declared, "that for every bomb, shell or bullet thrown at us by the Germans, we will give them four."

Danes Throw Pictures

Of Hitler Into Bonfires

STOCKHOLM, SWEDEN. — More than 1,000 bonfires burned in the streets of Copenhagen as Danish patriots continued anti-Nazi demonstrations in which 11 persons have been killed and 24 wounded. Danes ran through the streets, hurling pictures of Adolf Hitler into the fires and singing "God Save the King," the news-service said, adding that British flags were hoisted at many places.

Miss Faye Hunter Bride Of Lt. T. L. Thomas

Miss Faye Hunter, daughter of Mr. and Mrs. W. L. Hunter, Sr., and Lt. Thurston L. Thomas, son of Mr. C. L. Thomas of Amarillo, were married Saturday afternoon, March 17, in a double ring ceremony at the Abilene Army Air Base chapel.

The only attendants were Lt. and Mrs. Claude P. Day of Abilene.

The bride wore an aqua blue two piece wool suit with black accessories. Her corsage was gardenias.

Mrs. Thomas is a graduate of Hamlin High School and attended school in Abilene.

Lieutenant Thomas is a graduate of Roswell, New Mexico, High School and attended New Mexico Military Institute for two years, and is a graduate of the University of Oklahoma.

After a short honeymoon trip to San Antonio, Lt. and Mrs. Thomas will make their home in Abilene, where he is stationed at the Air Base as Budget and Fiscal Officer.

Spring Musicales

Miss Edwina Gilbert presented two groups of her piano pupils in studio recitals at her home on Tuesday evening, March 20, and Saturday afternoon, March 24.

The group appearing Tuesday evening were: Janet Bonner, Sarah Ann Steele, Betty Jane Barry, Suzanne Toler, Bettie Hines, Diane Carlton, Dora Joyce Culbertson, Anna Margaret McBride, Inez Baggett, Ruby Joyce Redus, Jeannine Johnston, Joy Agnew, Loveta Branscum, Elizabeth Butcher, Joanne McCrary, Mrs. Logan Smith, and Patsy Maberry.

Guests on Saturday afternoon were mothers of the following pupils: Laura Courtney, Barbara Lou Eivens, Nancy Sue Eivens, Barbara Kay Flowers, Elizabeth White, Grovena Sipe, Rose Brady, Bennie Elkins, Corena Burk, and Flora Nichols. Following the program, a theory demonstration was given.

Mr. and Mrs. Charles Smith and baby, Larry Gene, of Baytown, were here last week to visit Mrs. H. L. Nichols.

Everybody Aids In Crop Reports

**600,000 Farmers Keep U. S.
Posted on Conditions;
Interest Is Keen.**

WASHINGTON. — The periodic crop outlook reports issued by the U. S. department of agriculture are based on the work of some 600,000 farmer reporters in 48 states and a corps of merchants, bankers, warehousemen, processors and others who cooperate in sending information to the government, Paul L. Koenig, head of the division of agricultural statistics, reported.

Among the 600,000 farmers, are 70,000 voluntary crop correspondents who each month stand ready to report on cotton, corn, oats, wheat and other crops, on livestock and general farm conditions.

Country merchants and local dealers in farm produce numbering approximately 85,000 report several times a year on prices received by farmers for stuff they sell and prices paid for the things they buy.

Also important are the 90,000 country mills, elevators, warehouses, hatcheries, sugar beet factories, dairy establishments, canning plants, other processors and handlers of farm products.

All Food Conscious.
Never before has food been the universal topic of conversation and concern as it is today, said Koenig. Housewives and workers, in fact all consumers, have become intensely food conscious.

Explaining the wide use made of the agricultural reports, Koenig said:

"National and state legislators and public administrators concerned with maintaining the equilibrium of the agricultural plant in the total war effort, likewise are dependent upon what the month-by-month and year-by-year facts reveal as a basis for their policy and actions."

Depend On Reports.
"Rail and truck carriers, storage establishments, processors and others in trades and enterprises whose job it is to move products from the point of production to the point of their use require dependable reports on agricultural conditions and production prospects in some detail, to assure that their operations will be most economically effected."

"This war quickened interest and the widely extended needs for basic crop and livestock estimates has brought about pronounced expansion in both the volume and character of official estimating and reporting services. A crop of comparative insignificance not so many years ago may leap to national prominence over a span of a very few years."

Ship Food Overseas.

"A number of food crops and products are particularly adaptable for shipment overseas because they represent or can be converted into concentrated foodstuffs, and thus conserve limited shipping space. For products of this type, such as dry beans, dried peas, rice, cheese, milk, eggs and potatoes, new and more frequent reports were needed to gauge supplies, their availability and their location. Vegetable and other agricultural seeds, as a group, have naturally assumed a tremendous importance in the wartime economy."

"To meet unusual demands a wide variety of special reports has had to be added for some 80 crops of this category. For 60 major kinds of vegetable seeds alone, upon which no information had previously been available, periodic reports covering acreage, yield, production and stocks, were among the first to be initiated to meet primary needs soon after the opening of the present European war."

Russia Buys Rights to

Newest Rubber Process
WILMINGTON, DEL.—Russia is purchasing rights to the process for making neoprene synthetic rubber as a result of negotiations requested by the U. S. government, the E. I. Du Pont de Nemours and company, which developed the process, announced.

Under an agreement dated June 22, no compensation for the production of neoprene will be asked of Russia while that nation is at war against Germany, the announcement said.

Boxing Bouts Favored

By Army Men in Field
BLYTHEVILLE ARMY AIR FIELD, ARK. — According to Capt. O. L. Benson, special service officer here, boxing bouts are the most popular form of entertainment for the field personnel. Captain Benson reports that more officers and men turn out for boxing bouts sponsored by the athletic department than attend any other recreational feature. Baseball ranks second.

Russians Call Yanks

'Hotasah Tovarich'

A BOMBER BASE IN ENGLAND. — Fortress crews on the triple shuttle raid to Russia and Italy picked up a Russian vocabulary. They learned "potsilmina-potsiloi," means "give me a kiss." "Ja lybu chibya" is Russian for "I love you." The Russians called the Yanks "hotasah tovarich," meaning "good comrades."

Farewell Party Honors Navy Man

A farewell party was given Wednesday night of last week in the home of Mr. and Mrs. O. C. Prather, Sr., honoring their son, O. C. Prather, Jr., Signalman in the United States Navy. He left Thursday for San Francisco, after spending a 20-day leave at home. O. C. had recently returned from eight months' duty in the South Pacific.

Other guests in the Prather home were Miss Marian Martin of Rule, Mrs. Leslie Phillips and daughters of Munday; and Charlene Mustain and Martha Hicks.

IS LIGHTNING? ZIG-ZAG

YES NO
□ □ □

Old Jupiter's lightning was Z-shaped. Today's lightning-fast cameras prove that it really flashes beautiful curves. Shows how weather bears watching, and now in Spring, so does the car that must last you! It's time to drain unfit Winter oil, and you'll get far more than an oil change by having your engine's insides OIL-PLATED.

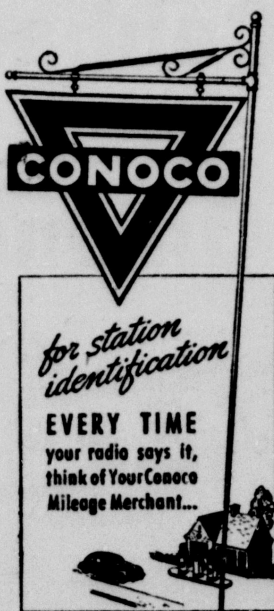

All you need is Conoco Nth motor oil to bond OIL-PLATING direct to working parts—really a built-on layer of lubricant. This special wear protection—a great research achievement—is surfaced to metal by Conoco Nth oil's strong "power of attraction." And Nth oil provides tough liquid film, too.

OIL-PLATING and oil film are both fighting wear every mile.

Then after stopping, when acids want to gnaw any engine, they're curbed by OIL-PLATING—the foe of corrosive wear!

What a big lot of safety from wear! . . . to stretch engine life . . . to make oil and gasoline last you . . . to minimize carbon and sludge . . . to help power! Yet Conoco Nth oil costs little more. Fast as lightning, change for Spring. Continental Oil Co.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

A Trustee Election in McCaulley Saturday, April 7. Eighty voters turned out the last election. Might as well get the benefit of your poll tax.

T/Sgt. Owen Mason, overseas, will get the Herald for another year with the compliments of his uncle, Ed Mason, of McCaulley.

Visiting in the home of Mr. and Mrs. S. E. Miers over the week end were Mr. and Mrs. W. W. Miers and children of Lamesa, Mr. and Mrs. N. D. Miers and children of Hobbs, Machinist Mate 1/c Joe Miers of the Seabees and wife and Jamie Wall, the Geo. Dardens, and Mr. and Mrs. C. P. Yates.

Mrs. Luther Maberry and daughters were shopping in Abilene one day last week.

On business in Sweetwater last week were Mrs. Geo. Maberry and Mrs. J. W. Rush.

Mrs. Dan Maberry has returned from a six weeks' visit with children in Lamesa.

Albert Hennington was selling cattle at the Abilene auction last week.

A small "twister" hit the new chicken house of Mr. and Mrs. Roy Hennington last Friday night demolishing same.

Pfc. Louis Madden and Mrs. Madden, from Hobbs, N. M., are visiting parents in McCaulley and Hamlin for a few days.

Word has come that the son of Mrs. Rufus Herbst has been wounded in the South Pacific.

W. F. Davison and W. C. Kean are the owners of two brand new Ford tractors—and "them things" are hard to get.

Ben Maberry has purchased the farm known as the Vivian Madden place, just south of the Maberry farm.

A dry hole was the verdict on the J. P. Humphries farm south of McCaulley—maybe so an off-set will get oil, yet.

Dr. and Mrs. Henry Inzer, of DeLeon, were guests Wednesday night in the home of Mrs. Inzer's niece, Mrs. L. E. Rector.

If we were to publish all the gossip, we might start a small scale war in the old home town. If it's not according to "Hoyle"—well, NIX.

Abilene wanted soldiers until they got 'em. After they got 'em, they wished they didn't have 'em—and now they have lost them and wish they had 'em back.

You can rent apartments now all over Abilene and they will even let you bring along the children. But when the "gold rush" was on—oh, no, you can't live in our apartment if you have been so unfortunate to bring children into the world.

It will be a long time before people from surrounding towns forget the attitude of Abilene merchants. Walk into a store a few months ago, "in the gold rush days," you were

Wolfe's New Berry Gets Big Boost

A new Texas plant is getting unusual attention and creating sensational interest all over the United States. More than 60 official State and Federal Experiment Stations have already arranged to test the new Rosberry that was recently introduced by a Texas Horticulturist, Ross R. Wolfe, of Stephenville, Texas. These experiment stations include internationally recognized horticulture stations like Geneva, N. Y., South Haven, Michigan, and Berkeley, California, and other stations representing complete coverage of every state in the Union.

The Rosberry was created by the famed Luther Burbank, but due to unfinished business in other fields of endeavor he never got around to giving it the time he desired. Discovered in the hills of Arkansas by Ross R. Wolfe of Wolfe's Nursery, it has brought sensational and widespread attention. In recent weeks hundreds of Texas people have planted it in gardens, on paling fences, trellises, and other places where the prolific growth of the vine shows to best advantage.

"I have never offered any new plant that I believe has more possibilities than the Rosberry," said Wolfe. "I believe in all sincerity that the results of official experiment stations will prove its merit, not only as a luscious berry but also as a beautiful vine." (22)

CATTLEMEN BUY REGISTERED JERSEY STOCK RECENTLY

The American Jersey Cattle Club reports that recently, Weldon R. Townsend, of Hamlin, purchased Pioneer Sybil May, No. 1464392, and that H. L. Ford, of Hamlin, purchased three, Nadine Rosime, No. 991813; Noble Observer Peggy, No. 1267124; and Wonderful Nobly Fairy, No. 1360293.
